

3rd Hands-On Course in Advanced Pediatric Interventional Pulmonology

APIP 2026
09.-11. April 2026
Tübingen Germany

PD Dr. med. D. Schramm

Course location:

erbe⁺ academy

Waldhörnlestraße 17
72072 Tübingen
Germany

Course Programme:

Course language is English

**Continuing Medical
Education Credits:**

accredited

Target Audience:

experienced bronchoscopists

Course Organizer:

Ass.Prof. Dr. Dirk Schramm

Participants:

36
6 groups
systematic rotation

Costs p. participant:

1500 €

Faculty:

Ass. Prof. Dr. Dirk Schramm

Pediatric Pulmonology, Ass. Professor
University Children's Hospital Düsseldorf
Germany

Jason C. Woods, Ph.D., ATSF

Director of Research for Pulmonary Medicine and
Pulmonary Imaging, Professor in Pediatric Pulmonary
Medicine, Professor of Radiology

Room 6	Bilobrk/Henze	LungVolumeReduction/Crit.Airway Management
Casino	Pacheco	Stents

Thursday, 9th April 2026

08:00-09:00 = Registration – Grouping

09:00-09:30 = Introduction= PIP – Where are we, where are we going

09:30-12:30 = Hands-On Part 1

12:30-13:00 = Lecture 1 = State-of-the Art – **Debulking and Restoration of Patency**

13:00-14:00 = Break

14:00-17:00 = Hands-On Part 2

17:00-17:30 = Lecture 2 = State-of-the Art – **TLBC**

17:30 End of the Day

19:00 Come Together Dinner

Friday, 10th April 2026

09:00-09:30 = Registration/Introduction

09:30-12:30 = Hands-On Part 3

12:30-13:00 = Lecture 3 = State-of-the Art – **Critical Airway Management**

13:00-14:00 = Break

14:00-17:00 = Hands-On Part 4

17:00-17:30 = Lecture 4 = State-of-the Art – **Pediatric Imagine and Interventions**

17:30 End of the Day

19:00 = evening program

The background of the slide features a scenic view of a European town, likely in Germany, with traditional half-timbered houses and a prominent yellow building with a blue roof. The town is situated along a river, with its reflection visible in the water. The sky is blue with scattered white clouds. A large white circular area is overlaid on the right side of the image, containing the text.

Saturday, 11th April 2026

09:00-09:30 = Registration/Introduction

09:30-12:30 = Hands-On Part 5

12:30-13:00 = Lecture 5 = State-of-the Art – **Balloon dilatation/Stent**

13:00-14:00 = Break

14:00-17:00 = Hands-On Part 6

17:00-17:30 = Lecture 6 = State-of-the Art – **Foreign Body Removal**

17.30 = End of the Course
